Letter No Mcb. 379/44-45 dt 18-12-44 from the Addl. Dy. Secy. Medl. Dept. requesting sanction to the grant of extension of service to Mr. S. Venkata subba Rao, First Grade Rev Inspector of the mofsil by one year with effect from 28-1-45, the date of his superannuation

Mr. S Venkatasubba Rao is the First Grade Rev Inspector of the mofsil getting a pay of Rs 150/- He attains the age of superannuation on 28-1-45 The Dept also has issued a memo in Dec 1943 ordering his retirement from service from 28-1-45

The Dept now requests that as Mr. Venkatasubba Rao is entrusted with the work connected with the General Revision of Assessment from Dec 1943 and as his services would be more useful in disposing of objections pertaining this behalf, he may be granted extension of service by one year from 28-1-45

It is also reported by the Dept that the leave (preparatory to retirement) applied for by the official for six months has been refused in the exigencies of service

Submitted for orders.

The President, Mysore

WD 0726—GPB—25,000

Revenue Inspector - under Venkatasubbarao
- under SO to be given extension by
one year from 28 1 1945 - the
date of super annuation. It is stated
that he was served with an order that
he would be retired from service with
effect from that date so far back
as 27-12-1943 alone.

The retention of this official
for one more year from 28-1-1945 is
recommended on the ground that he is
entrusted with the work of revision of
assessment on lands & buildings in the
City and that his local experience would stand
in good stead in the disposal of applications
- objections & petitions that might
come up later on. But the President
was aware that the official would have
to be retired & that he need not have been
entrusted with the work

The President, however, states that
it would be difficult to fill up his
place, as the candidates will have
to be selected according to the C.R.B
rules and that it would take a
long time & that, even if they are so
selected, they will not stick on to
it as according to the experience
so far - & that owing to the

recruitment of a number of Mens
the Food Supply Department, it has
not been possible to fill up such
vacancies with the result that considerable
inconvenience is caused to the work in
the Office. It is stated that the
application for grant of
Six months' leave prior to retirement
has also been refused. Having regard
to this circumstance, it is for consideration
if his terms may not be extended
by six months with effect from 28.1.19 us-
subject to the condition that no leave
of any kind will be granted to the Appt
during that period. Moreover
the President should have made a reference
to the Govt much earlier in this subject
so that the Govt might not have

period of service of the Appt is almost
coming to a close. Four weeks

Sir,

Subject - Regarding the grant of extension of service to Mr S Venkatasubba Rao, First Grade Revenue Inspector of the Mysore City Municipality by one year with effect from the 28th January 1945, the date of his superannuation

I have the honour to state that Mr S Venkatasubba Rao, First Grade Revenue Inspector on Rs 50/- of this Municipality attains the age of superannuation on the 28th January 1945 and in the usual course his retirement with effect from that date has been ordered to be given effect to in this office Official Memorandum No M4 15/43-44 dated 27th December 1943 It is now felt that his services for sometime more are quite necessary as this Revenue Inspector has been entrusted with the work connected with the General Revision of Assessment, which commenced last December The revision work has not yet been completed and the temporary establishment sanctioned for the purpose has been ordered to be continued till the end of February, 1945 Besides a good number of objection petitions against the revision of assessment have been received and the revising authority constituted for the purpose have been making enquiries and attending to their disposal Since this Revenue Inspector is conversant with this work having conducted the preliminary investigation, his service would be of great advantage in the prompt disposal of the objection petition and in completing the remaining portion of the revision work at a early date It is expected that it may take about 6 months before th work comes to a final stage

The Revenue Inspector Mr S Venkatasubba Rao, has put in a total service of 35 years and 9 months and has got good experience having worked in this Municipality although his service It is said that he attended to the revision work on the previous occasion and he was

then given a bonus of Rs 100/- for his good work In addition to th out-door work, he is stated to be managing the clerical portion of the work in writing up Assessment Registers and the register of Objections etc , inspite of the fact that the full strength of the sanctioned clerical establishment is not available, as the local candidates appointed for want of C R B candidates do not stick on to the job, with the result that two of the four clerk's posts remain unfilled The Revenue Officer brings to notice that if in addition to this disadvantage, the Revenue Inspector is also retired it would be a great handicap for the revision work as no suitable substitute is available for the place Further, the vacancy will have to be advertised and filled up as per Public Service Commission Rules and it would take a long time to fill up the place as the candidates will not be readily forthcoming to take up the post It is for this reason that the vacancy of a Revenue Inspector remains yet unfilled and a Bill Collector is placed in charge from a long time Owing to the recruitment of a number of officials from this Municipality to the Food Department this office is depleted of experienced hands causing considerable inconvenience to work The prayer of the Revenue Inspector to grant 6 months leave preparatory to retirement was on this ground refused in the exigencies of service Now the Revenue Inspector has submitted a representation praying that in consideration of his good work and also of the refusal of leave asked for by him, he may at least be granted an extension of service by one year Having regard to these circumstances, the Revenue Officer has recommended the case of the official for the grant of an extension of one year's service to this official

In view of the circumstances detailed above, I request that sarction of Government may kindly be obtained to the retention of the official in service by one year with effect from the 28th January 1945, the date on which he attains the superannuation The Service Register and Character Book of the official are also enclosed for kind perusal.

I have the honour to be,
Sir,
Your most obedient servant,

PRESIDENT
